

# 4<sup>th</sup> Team Meeting |MINUTES

---

*Meeting date | time 9/19/2014 11:10 AM | Meeting location IC404*

Type of meeting

Paln Meeting

Attendees

Note taker

Nick, Miranda

Dickson, Miranda, Nick

## AGENDA TOPICS

---

*Time allotted | 1 hours | Agenda topic Phase I | Presenter All Attendees*

Discussion

- Basic concept/definition of Article, Reference, Source and so on.
- Different using level: manually add sources; add articles; visualization of data.
- Basic functionalities
- Issues may need to improve in the future: data security, data storing, etc.
- Scheduling for Phase I

Conclusion : the basic ideas of the project are almost done, will continue thinking about system design later.

\*\* have different opinions about dealing with link references in the article, may talk about this later.

## Special notes

Since Amna and Chandni were not there for meeting, we will update the changes and new content we made to everyone ASAP. We will continue work on this and communicate online during the weekend.
